

Orchestra Retreat Registration Form **Saturday and Sunday, October 12 & 13, 2019 at Cazadero Music Camp**

The GGP orchestra retreat is an excellent opportunity for both students and parents to get to know each other. Under the watchful gaze of the redwood trees at the Cazadero Music Camp, our students will receive music training in orchestra, sectionals, and chamber groups. We strongly encourage peer mentoring at camp and our more experienced students mentor newer students. In addition to playing wonderful music in a beautiful setting, the retreat includes many other activities such as nature walks, musical jeopardy, seminars about orchestra conduct and expectations, seminars about the local environment, parent meet-ups, and a bonfire complete with s'mores. The retreat is included for students as part of the annual tuition fee, and we keep fees for parents and transportation as low as possible.

We hope both parents and students will join us for this magical weekend of music and community building!
